## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
Raising Haiti Foundation  
Washington, District of Columbia

### **Opinion**

We have audited the accompanying financial statements of Raising Haiti Foundation (the "Foundation" - a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Raising Haiti Foundation as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis of Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Raising Haiti Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Raising Haiti Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Raising Haiti Foundation  
Washington, District of Columbia

Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of Raising Haiti Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Raising Haiti Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Foundation's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated February 11, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

# ***Raising Haiti Foundation***

## **Notes to Financial Statements**

### **December 31, 2022**

---

#### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### *Nature of activities*

Raising Haiti Foundation (the “Foundation”) is a not-for-profit corporation organized under the laws of the District of Columbia exclusively for charitable and educational purposes. Raising Haiti Foundation’s main mission is to create wealth in rural Haitian communities. The Foundation intends to secure financial and technical support for charitable works to empower the rural poor throughout Haiti. Toward this end the Foundation may support programs, which provide higher education for qualified rural youth or community based educational programs, assistance to and/or training for local community organizations, foster the creation of variable Haitian small business enterprises or other programs, which may create sustainable development and increased wealth in rural Haitian communities. The Foundation may conduct outreach of programs and activities to educate the US public, donors and the rest of the world about Rural Haiti and the peasants’ struggle for education, health care, good agriculture and basic needs for rural development.

##### *Sources of revenue*

The Foundation receives contributions primarily from individual donors, foundations, and businesses.

##### *Basis of presentation*

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net assets without donor restrictions* – Net assets which are currently available for use in the day-to-day operation of the Foundation.

*Net assets with donor restrictions* – these amounts consist of net asset with restrictions that are temporary in nature, which are subject to donor-imposed stipulations that may or will be met either by actions of the Foundation or the passage of time and net assets held in perpetuity by the Foundation. At year end, the Foundation had no net assets with donor restrictions with perpetual donor stipulations.

##### *Contributions*

The Foundation reports gifts of cash and other assets as net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. Unconditional promises to give are recorded as support in the period received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Donor-restricted contributions whose restrictions are met in the same reporting period as received are reported as net assets without donor restrictions.

---

# ***Raising Haiti Foundation***

## **Notes to Financial Statements**

### **December 31, 2022**

---

#### *Donated services*

Donated services are recorded in the accompanying financial statements at their estimated fair value at the date of receipt. Donated services are also recognized as contributions if the services (a) create or enhance non-financial assets or (b) require specialized skills and would otherwise be purchased by the Foundation. During the year ended December 31, 2022, the Foundation received donated legal services valued at \$30,437. This amount has been recorded as the in-kind value of this service, with a corresponding amount included in expenses. No in-kind contributions were restricted. The Organization only uses these services for its programs or supporting service activities.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs and various assignments. No amounts have been reflected in the financial statements for these contributions as the contributions are either insignificant or do not meet the criteria for recognition.

#### *Other assets*

Other assets consist of costs associated with the Foundation's website. Other assets are recorded at cost and amortized over the estimated useful life of the asset and is computed on the straight-line method. The cost of the website was \$2,699 and the useful life of the website is five years. Amortization expense was \$540 for the year ended December 31, 2022.

#### *Federal income tax status*

The Foundation is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation as defined by Section 509(a) of the Internal Revenue Code.

#### *Use of estimates*

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of support, revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### *Prior-year comparative totals*

The financial statements include certain prior-year summarized information, which is presented for comparative purposes only. Accordingly, such information should be read in conjunction with the Foundation's 2021 financial statements, from which the summarized information was derived. Also, certain amounts in the prior-year's comparative totals have been reclassified to conform to the presentation in the current year's financial statements.

#### *Functional allocation of expenses*

Expenses are allocated to program services and management and general based on management's estimates of time spent and various allocation methods appropriate to the type of expense. Operations expense is the only expense allocated, which is allocated on management's analysis of the various expenses that comprise those costs. All other expenses have been allocated based on an analysis by management of the various expenses that comprise those costs.

---

***Raising Haiti Foundation***  
**Notes to Financial Statements**  
**December 31, 2022**

---

**NOTE 2 – NET ASSETS WITH DONOR RESTRICTIONS**

Net assets with donor restrictions consist of the following as of December 31, 2022.

Purpose restricted:	
3LEGS: Scholarships and Business Incubator	\$ 208,037
Earthquake Relief	20,600
Infrastructure	800
St. Anne’s School	250
	<hr/>
TOTAL	<u>\$ 229,687</u>

**NOTE 3 – CONCENTRATIONS OF CREDIT RISK**

Cash

Cash held in bank accounts are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). The Foundation holds cash in excess of the insured limits covered by the FDIC; however, the Foundation believes it is not exposed to any significant credit risk related to these accounts.

Support

The Foundation is supported by a limited number of donors. This concentration of revenue represents a significant risk that operations could be impacted should any of these major donors reduce or discontinue their funding of the Foundation.

**NOTE 4 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The Foundation has \$298,350 of financial assets available within one year of the balance sheet date to meet cash needs for general expenditures consisting entirely of cash. Of these assets, \$229,687 are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet.

**NOTE 5 – SUBSEQUENT EVENTS**

The Foundation has evaluated subsequent events from the date of the statement of financial position through the date of the audit report, which is the date the financial statements were available to be issued. During this period, no material recognizable subsequent events were identified.
